PROSPECTUS

Bhavan's Faith

Let me once more set forth the Bhavan's faith for the benefit of new students and members, for it is necessary that they should understand it clearly and imbibe its spirit.

The Bhavan stands for the reintegration of Indian Culture.

In a world falling to pieces under the impact of an amoral technological avalanche, it tries to hold fast to the fundamental values for which our culture stands:

RITA, SATYA, YAJNA AND TAPAS;

FAITH in God who-informs the Cosmic Order:

TRUTH which is a cord between mind, word and deed:

DEDICATION which offers all movement of life as an offering to God;

SUBLIMATION which purifies the body and mind and transmutes instincts, passions and emotions into things of beauty.

This regardless of form and doctrines is Dharma, the three fold aspects of which are - Truth, Love and Beauty.

SATYAM, SHIVAM, SUNDARAM

For these values our forefathers lived and died. So did Sri Ramakrishna Paramahansa, Swami Dayananda, Swami Vivekananda, Gandhiji and Sri Aurobindo among moderns.

These values are embedded in our national outlook.

We command the respect of the world because of them.

We can look forward to the future with confidence only because they have the vitality which gives the power to vindicate their validity even in this fear-and-avarice ridden age of ours.

We must make every effort in restoring an awareness of these values in personal and collective life.

" India will once again be acknowledged as the vishwa guru - a superpower that embodies the ideals of **vasudhaiva kutumbakam** - the global family "

Bharatiya Vidya Bhavan, Mumbai Kendra

(Founded in the year 1938 with the blessings of Mahatma Gandhi)

Founder : Kulapathi Dr. Kanaiyalal Maneklal Munshi

Executive Committee

It would be instructive to remember that **Kulapati Dr. Munshi** founded the Bhavan a full decade before the advent of Independence. 7th of November 1938 was the beginning of an "**Adventure in Faith**", a Faith in India's Past, Present and Future. The founding of Bhavan was based on the preservation and propagation of Bharathiya Sanskriti (Indian Culture) and Sanskrit, the mother of languages, the akshaya patra - the inexhaustible reservoir. This unpretentious endeavour was backed by **Kulapati Dr. Munshi's** amazing pragmatism. Over the years from being a modest Indological research institution, it has steadily grown into a comprehensive, co-operative, apolitical, national movement with an international outlook. It seeks to inculcate a value-based life, the promotion of ethical and spiritual values in everything that it does.

Multi dimensional programmes of Bhavan are carried out through 384 constituent institutions, 115 Kendras in India and 8 centres outside India. The following are a few examples of the breadth of Bhavan's intellectual, cultural and educational span :

Bharatiya Vidya Bhavan in Karnataka

Bhavan came to Karnataka with Bangalore centre in 1965. From 1969, it has been functioning in its own premises on the Race course Road. The team headed by the Chairman, Shri N. Ramanuja (nominated in 1997) and the Director, Sri. H.N. Suresh (Posted in 2011) have initiated several developmental activities With the aim of spreading Bhavan to all District headquarters, Kendras have been established in Bagalkot, Belgaum, Mysore,

Dharwad and Madikeri. Shivamogga Kendra is one of the latest flowers in the ever blooming inflorescence of Bhavan. The Kendras at Belgaum, Madikeri and Mysore are running Bhavan's Schools with outstanding performance. Bruhat Bangalore Mahanagara Palike has handed over one of its schools to Bhavan for management and such initiatives are forthcoming from many places. Bangalore Press have donated land to Bharatiya Vidya Bhavan at Chamaraipet, Bengaluru and BVB has built a beautiful building holding classes upto 7th Standard. Three premier colleges of Management are being run by Bhavan. (Two at Bangalore and one at Dharwad). All these institutions are providing quality education guided by Bhavan's Philosophy.

SHIVAMOGGA KENDRA:

Vidyanagara : Precious Land of 69,978 Sq. ft. in extent belonging to Child Welfare Trust founded by Late. Dr. D. Krishnamurti (Remembered for ever as Malnad Doctor) was donated to Bharatiya Vidya Bhavan by Dr. D. Balasimha and family. Dr. D. Balasimha is the worthy son of Dr. D. Krishnamurti . Bhavan's building here is housing **Dr. D. Krishnamurti and Smt. D. Shakuntamma Memorial School**. The generous contributions by the Philanthropic citizens of Shimoga, other parts of India and overseas has resulted in the construction of this magnificent Building. Shivamogga Kendra and Dr. D. Krishnamurti and Smt. D. Shakuntamma Memorial School were established under the able guidance & leadership of visionary Late Dr. Mattur Krishnamurthy.

BHAVAN'S Building has four floors with a built up area of 51,607 Sq. ft., It has been conceptualized around the innate sense of uninhibited freedom and a refreshing attitude of the children and need to retain a free, open, interactive relationship between the student and the teacher. These ethos are reflected in the open planning of the school where the corridors, class rooms, labs, auditoriums, everything open to the exterior space creating an interesting dialogue. The mini amphitheatre at the second floor and the small covered activity area in the ground floor serve to initiate interactions between different classes and the faculty. This also provides the children an interactive space to revel in the cultural and literary activities fostering a sense of belonging and creates and nurtures an atmosphere of bonhomie and comaradarie. The School strives to blend the heritage, culture, values and wisdom of ancient india with the constantly changing needs and aspirations of modern society. It seeks to develop every student into a self-reliant, socially useful, disciplined and law abiding citizen. In other words, it aims at developing every pupil into an integrated personality.

Bhavan's SPECIAL FEATURES

The basic approach is guided by the fact that nature gifts every child with a **"unique potential"**, which, with adequate environmental inputs, can be developed into outstanding competence, (in the context of specialisation) so vital to face the increasing competition in today's world. At the same time, it seeks to safeguard the young mind against the negative influence of materialism and the counter productive effects of industrialisation so as to preserve and promote the sanctity of family and community relationships. Hence, the institution has a distinct background, character and objective and lays special emphasis on the study of Sanskrit, Hindi and Indian Culture in a composite form.

The School caters to the educational needs of those who want to combine the advantages of a 'modern public school' with those of the **"Ancient Vidyashram"** aimed at all round development of character and personality through close contact between the teacher and the taught, and wide range of activities leading to self and social fulfillment.

To this end, the school, besides imparting education, strives to :

- a) provide training in leadership.
- b) inculcate dignity of labour and human values.
- c) instill a sense of civic, social and moral responsibility.
- d) give a background in Nation's making and its culture.
- e) Introduce the literature of the motherland (including that of regional languages in translation).
- f) provide opportunities to facilitate specialisation, through suitable creative work.
